

World Championship Statement

1. Realization

Every year since 2018 has been making the main event Dog Puller World Championship. International Federation Dog Puller (IFDP) and Federation Dog Puller of hand-out country are organizers of World Championship (WCh). They are together choosing and agree date and place of WCh. The official rules of IFDP are function on the WCh.

2. Selection of participants on the WCh and formation the team of country

Every country forms its own team on the WCh – National Team. National Team of each country consists of maximum 15 pairs -dog and handler. Minimum quantity of participants in National Team are 3 pairs.

- Participants select into National Team by taking a part in championships during competitive year. Competitive year starts on the next day after WCh and ends on the day before next WCh. Results of participants enter into the rating table. Pairs that get on the top of rating run into National Team.

Rating is general: Puller Running + Puller Jumping

If the pair (dog + handler) compete only in one discipline in this case to get into rating system, they need to train and compete in both disciplines (running and jumping).

Points reckon only for awarding places.

1 place - 31 points

2 place - 22 points

3 place - 13 points

Also to the result add next extra points:

regional championship +2 points

national championship +5 points

international +10 points

out city championship +5 points to the general result

(other city, other region, other country)

- Also each country holds qualifying championship (one or more depends on country). Pair that get the highest point run into the National Team. The highest point is 2 and it calculated by summarizing places that get participant in both disciplines.

3. On the WCh World Winner Dog Puller title awards in next categories:

- Mini
- Maxi
- Drive
- Bully

4. On the WCh title Multichampion awards in each category. Multichampion calculates by summarizing places that participant get in each discipline (Puller Running + Puller Jumping). The best possible result is 2 points.

5. Every year on the WCh selects Challenge Cup National Team holder. Challenge Cup goes to the National Team that got the biggest quantity of points by summarizing awarding places of

participants from their National Team. For count the points summarized points by quantity of awarding places (1st, 2nd and 3rd) that get participants of the Team in each discipline and category + Multichampion title (tittle Multichampion counts only if in discipline present representatives of all announced countries).
